Subject: [international-partners-university-angers] Summer Schools University of Angers (FRANCE) – June-July 2025 – Applications extended Research in Neurosciences

Dear Partners, Dear Colleagues,

There are spots left in our Research in Neurosciences Summer School 2025!

The deadline for applications is extended for a few more days. The programme is open to students who have completed two years of Medicine/Biological Sciences/Pharmacy/Veterinary/Midwifery and who may be interested in pursuing a M.D. or Ph.D. and envision a career in scientific or medical research.

Students from our partner universities will benefit from reduced fees.

Research in Neurosciences: June 23rd-27th 2025

More information about the course: <https://summerschools.univ-angers.fr/en/summer-schools/research.html>

Extended application deadline: April 21st, 2025

We look forward to welcoming your students!

With our best regards,

Françoise Grolleau
President of the University of Angers
&
Catherine Passirani
Vice-rector for International Relations of the University of Angers
